Membership in the Northern Virginia Technology Council (NVTC) is company held. There are four categories of membership: **Technology, Startup Technology, Associate and Affiliate**. The annual dues investment is based on which category a company fits into and the total number of full-time employees a company has in the NVTC market region (VA, MD and D.C.) A portion of dues paid to NVTC may be deductible for federal income tax purposes as a business expense, although according to IRS regulations the portion of dues allocable to lobbying activity is not tax deductible and NVTC estimates that 28.1% of your dues are allocable to the public policy lobbying activities of NVTC and is therefore not deductible.

Please reference the Investment Schedule below to determine the appropriate membership category and annual dues investment.
